INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Adams County Library System, Inc.
Gettysburg, Pennsylvania

We have audited the accompanying financial statements of the Adams County Library System, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Adams County Library System, Inc. as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

ADAMS COUNTY LIBRARY SYSTEM, INC.
Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Adams County Library System, Inc. (the Library) was incorporated in 1945 in the state of Pennsylvania as an independent library serving the citizens of Adams County. It operates a main library in Gettysburg, Pennsylvania with branches in New Oxford, Biglerville, Carroll Valley, and Littlestown, Pennsylvania. The Library also operates an outreach department that services the local area. The Library also serves as a support library, distributing supporting revenues and assisting with collection purchasing for the East Berlin Community Library d/b/a Jean Barnett Trone Memorial Library of East Berlin.

The Library is supported primarily through local and state government support, contributions and investment income. Without this public support, the Library's ability to carry out its program services would be significantly reduced.

Basis of Accounting

The Library's records are maintained and these statements are presented on the accrual basis of accounting in conformity with generally accepted accounting principles (GAAP). Under this basis, revenue is recognized in the period earned and expenses in the period incurred.

Basis of Presentation

To ensure observance of limitations and restrictions placed on the use of resources available to the Library, the accounts are reported in accordance with the principles of accounting for not-for-profits. Accordingly, the Library is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. In addition, the Library is required to present a statement of cash flows. Net assets of the Library and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed stipulations, including those that are Board designated.

Net assets with donor restrictions – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Library and/or the passage of time or are to be maintained permanently by the Library.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Library considers all unrestricted, highly liquid investments outside of brokerage/investment accounts with an initial maturity of three months or less, as well as certificates of deposit that have minimal penalties for early withdrawal, to be cash equivalents.

Accounts/Fines Receivable

The Library's management periodically evaluates the collectability of outstanding accounts/fines receivable and establishes an allowance for doubtful accounts. The allowances are determined based upon factors surrounding the credit risk and historical trends and are adjusted by a change to bad debt expense. Amounts determined to be uncollectible are charged against the allowance in the year that the determination is made.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Promises to Give/Contributions and Gifts

Contributions and gifts are recognized when the donor makes a promise to give to the Library that is, in substance, unconditional. Contributions and gifts that are restricted by the donor are reported as increases in net assets without restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions and gifts are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are classified to net assets without donor restrictions.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount on these amounts are computed using interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

The Library considers promises to give to be fully collectible. If collection becomes doubtful, an allowance for uncollectible promises to give will be established, or the promises to give will be charged to income when that determination is made by management. Unpaid balances remaining after the stated promise terms are considered past due. Recoveries of previously charged-off promises to give are recorded when received.

Donated Assets and Services

Donated assets and services are reported in the accompanying financial statements at their fair market value as of the date of contribution. The value of donated assets and services meeting the requirements for recognition in the financial statements under GAAP was not significant in 2019 and 2018 and are not reflected in the statement of activities. In addition, a substantial number of volunteers have donated significant amounts of their time to the Library's activities.

During the years ended December 31, 2019 and 2018, the Library received approximately \$30,000 and \$27,000, respectively in donated discounts and free tickets to events and restaurants that were handed out to patrons and program participants. This transaction is considered an agency transaction. Therefore, the value of the donated items is not reflected in the accompanying financial statements.

Functional Expense Classification

The cost of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification and detail of expenses by function. Accordingly, the financial statements report expenses that are attributable to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include employee related expenses which are allocated based on the basis of estimated time and effort and occupancy expenses that are allocated on a square-footage basis. All other expenses are directly allocated.

ADAMS COUNTY LIBRARY SYSTEM, INC.
Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Effective January 1, 2019, all acquisitions of property and equipment in excess of \$1,000, (increased from previous policy of \$500), and all expenditures for repairs, maintenance, renewals and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are stated at cost, or if donated, at fair market value at the date of donation. Expenditures for maintenance and repairs not described above are charged to expense as incurred. When depreciable assets are retired or otherwise disposed of, the costs and accumulated depreciation are removed from the accounts, with any gain or loss included in the statement of activities in the period of disposal.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets as follows:

	Years
Building and Improvements	25 - 48
Furniture and Fixtures	10
Computer Equipment	3
Books and Other Materials	3
Bookmobile and Van	7

Effective January 1, 2019, the estimated useful lives of books and other materials was decreased from 10 to 3 years as a result of a change in accounting estimate. This change resulted in additional depreciation expense in 2019 of approximately \$792,000.

Investments

The Library carries investments at fair value in the statements of financial position. Realized and unrealized gains and losses are recorded along with dividends, interest, and other investment income in the accompanying statements of activities and charged to net assets without donor restrictions unless the donor stipulates otherwise.

Investments of the Library are exposed to various risks, such as interest rate, market, currency and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in the financial statements.

In addition, recent economic uncertainty and market events as a result of the COVID-19 pandemic and other market forces have led to unprecedented volatility in currency, commodity, credit and equity markets. These recent events underscore the level of investment risk associated with current economic environment, and accordingly the level of risk in the affiliated long-term investments and perpetual trust assets reported in the financial statements.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Beneficial Interest in Perpetual Trusts

Gifts received under the terms of trust or other agreements in which the Library has beneficial interest are accounted for as perpetual trusts held by third parties. The time period covered by these agreements is expressed either as a specific number of years or in perpetuity.

Under such arrangements, the assets are invested and administered by the Library, a Trustee, or a fiscal agent and distributions are made to a beneficiary during the term of the agreement. At the end of the agreement's term, the remaining assets covered by the agreement are distributed to or retained by either the Library or another beneficiary.

In the absence of donor-imposed conditions, the Library recognizes contribution revenue and related assets and liabilities when irrevocable perpetual trust agreements naming the Library as Trustee or fiscal agent are executed or, when the Library is notified of the agreement's existence, in cases where an unrelated third party (such as a bank) acts as Trustee.

Contribution revenues recognized under perpetual trust agreements are classified as increases in net assets without donor restrictions or net assets with donor restrictions based on the donor's instructions in the underlying agreement. During the term of the agreement, changes in the value of perpetual trust agreements are recognized in the statements of activities as "change in value of perpetual trusts held by third parties" and classified as net assets without donor restrictions or net assets with donor restrictions based upon the classification when the contribution was initially recognized. Upon termination of the agreement, asset and liability accounts related to the perpetual trust agreements are closed and any remaining amounts are recognized as changes in the value of perpetual trust agreements and classified in the appropriate net asset category.

Interest in Net Assets of a Community Foundation

Interest in net assets of a community foundation is reported at fair value as determined by the community foundation. See Note 6.

Concentration of Credit Risk

The Library maintains its cash balances in financial institutions located in Pennsylvania. Cash deposits may exceed the federally insured limits at various times throughout the year. Management does not believe that there is a significant risk of loss as a result of these excess deposits.

Advertising

The Library charges advertising costs to expense as incurred. Advertising expense was \$7,185 and \$13,882 for the years ended December 31, 2019 and 2018, respectively.

ADAMS COUNTY LIBRARY SYSTEM, INC.
Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

No provision is made for income taxes because the Library is a tax-exempt entity under Section 501(c)(3) of the Internal Revenue Code. The Library is not deemed to be a private foundation by the Internal Revenue Service.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Library and recognize the tax liability if the Library has taken uncertain positions that more likely than not would not be sustained upon examination by the government authority. The Library is subject to routine audits by taxing jurisdictions, generally for a period of three years after the returns are filed; however, there are currently no audits for any tax periods in progress.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of support, revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 PROMISES TO GIVE

Leases

The Library leases the New Oxford Area Library branch premises from the Borough of New Oxford. The lease is for fifty years, effective in 1994, with annual payments of \$1. The fair market value of the annual rent has been determined to be \$9,600. The remaining net present value of the contributed use of the premises under a fifty year lease is \$103,651 and \$104,904 at December 31, 2019 and 2018, respectively, and is included in the accompanying statement of financial position as a promise to give. The annual rental expense value of \$9,600 and the amortization of the discount at 8% have been included in the statements of activities.

The Library leases the Biglerville branch premises from the Harbaugh/ Thomas Foundation. The lease is for twenty-five years, effective 2007, with annual payments of \$1. The fair value of the annual rent has been determined to be \$36,000. The net present fair value of the contributed use of the premises under a twenty-five year lease is \$345,399 and \$365,366 at December 31, 2019 and 2018, respectively, and is included in the accompanying statements of financial position as a promise to give. The annual rental expense value of \$36,000 and the amortization of the discount at 4.5% have been included in the statements of activities.

Future reductions in promises to give-leases are as follows as of December 31:

NOTE 4 INVESTMENTS

The Library maintains investment accounts at ACNB Bank and PNC Bank and holds 52 shares of Penn Products Corporate Stock. The accounts are comprised of Library assets that the Board of Trustees and/or donors have set aside for long-term viability of the Library. Bequests and other significant contributions are added to the investment accounts at the discretion of the Board and/or donors, annually. Fair values are determined based on quoted market prices.

Net investment return reported in the statements of activities has been reduced by investment expenses of \$18,881 and \$20,641 for the years ended December 31, 2019 and 2018, respectively.

The investment accounts are invested consistent with investment policies that are monitored by the board of trustees. The investment policies employed are meant to achieve long-term growth while providing modest investment income which would be available for current funding assuming low-to-moderate investment risk. Funds are primarily invested in mutual funds or similar investments.

Investments were comprised of the following at December 31:

	2019		
	Cost	Fair Market Value	Unrealized Gain (Loss)
Cash equivalents	\$ 143,137	\$ 143,137	\$ -

NOTE 5 BENEFICIAL INTEREST IN PERPETUAL TRUSTS

The Library is a beneficiary of several perpetual trusts which are administered by third-party trustees. Under the terms of the trust agreements, the Library has the irrevocable right to receive its beneficial portion of income earned on the trust assets in perpetuity, but it will never receive the assets held in trust. The Library's proportionate share of income from third-party trusts range from 7.5% to 100%. The underlying trust agreements place no restrictions on the use of the income.

ADAMS COUNTY LIBRARY SYSTEM, INC.
Notes to Financial Statements

NOTE 5 BENEFICIAL INTEREST IN PERPETUAL TRUSTS (CONTINUED)

The Library has recorded its beneficial interest in the trusts as net assets with donor restrictions that are perpetual in nature. Distributions from the Trusts are reported as without donor restrictions and the change in the Library's proportionate share of the fair value of the trusts' assets is recognized as with donor restrictions recognizing the gains or losses and are reported as change in value of perpetual trusts held by third parties on the statements of activities. The fair value of the Library's beneficial interest in the trust assets was \$2,577,863 and \$2,314,993 at December 31, 2019 and 2018, respectively.

Income from the perpetual trusts for the years ended December 31, 2019 and 2018 was \$87,778 and \$87,248, respectively and is reflected as income from perpetual trusts held by third parties in the statements of activities.

NOTE 6 INTEREST IN NET ASSETS OF A COMMUNITY FOUNDATION

In 2010 the Library created, and is the beneficiary of, an Agency Endowment Fund with the Adams County Community Foundation. The Foundation maintains variance power over distributions from the funds, based upon the Foundation's spending policy. The Foundation considers the investment return for the past year and recommends a spending policy annually with a stated fixed amount, which was \$2,675 and \$2,693 for the years ended December 31, 2019 and 2018, respectively. There were no contributions to the fund for the years ended December 31, 2019 and 2018. The fund is considered a without donor restriction asset because the Library funded the Agency Endowment and is considered the beneficiary of the Fund. The fair value of the Endowment was \$65,240 and \$57,619 as of December 31, 2019 and 2018, respectively.

NOTE 7 ENDOWMENTS

The Library's endowments consist of (1) a donor-restricted named endowment fund, (2) the Musselman Foundation endowment fund and (3) a general endowment designated by the trustees of the Library. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the trustees of the Library, are classified and reported as net assets without or with donor restrictions based on the existence or absence of donor-imposed restrictions. The classification is based on the Trustee's interpretation of Pennsylvania's statutes that govern such endowments and its interpretations of donor intent and related endowment bylaws.

The Library considers several factors when making a determination to appropriate or accumulate donor-restricted endowment funds. These factors include the duration and preservation of the fund, the mission of the Organization, the purpose of any donor restrictions, general economic conditions, the possible effects of inflation and deflation, the expected total return from income and the appreciation of investments, and other resources.

Named Endowment Fund

The Library provides an opportunity to donors to contribute a minimum of \$5,000 (increase from \$1,000 in June 2018) to be given in an individual's name. The initial contribution and any additional contributions to the Named Endowment Fund are donor restricted and perpetual in nature.

NOTE 7 ENDOWMENTS (CONTINUED)

Named Endowment Fund (continued)

The net appreciation from the endowment will be used to provide educational library programs (including materials) and any unspent earnings will be accounted for as net assets with donor restrictions for this specified purpose. From time to time, the named endowment donor-restricted endowment fund may have fair values less than the amount required to be maintained by donors or by law. At December 31, 2019 and 2018, funds with original giving values of \$518,791 and \$474,108, fair values of \$556,097 and \$438,636, and surplus (deficiencies) of \$37,306 and (\$35,472), respectively were reported in net assets with donor restrictions. The deficiencies reported in 2018 were fully recovered during 2019 due to favorable market fluctuations.

The investment policy for the 2019 Named Endowment is to generate a reasonable level of income and experience long-term growth assuming low-to-moderate level of investment risk with PNC Bank. Investment policy sets investment ranges at 50% - 80% equities, 20% - 50% fixed income and 0% - 10% cash equivalents.

The investment policy for the 2018 Named Endowment is to achieve growth and income within a balanced portfolio strategy with PNC Bank. Investment policy sets investment ranges at 65% - 75% equities, 25% - 35% fixed income and 0% - 10% cash equivalents.

Musselman Foundation Endowment

In 1979 the Musselman Foundation established an endowment with an initial contribution of \$50,000. Per donor stipulations the Library is to receive quarterly payments of investment net income that can be used per the Board's determination (without donor restriction). The donor further stipulated that the initial contribution can be spent with a two-third's vote from the board. If such a decision is made by the board, the portion of principal being spent can be used for the bookmobile, books, and additions/improvements to the library. Based on this stipulation, the initial principal contribution is reported as net assets with donor restrictions subject to expenditure for specified purpose.

The investment policy for the 2019 Musselman Foundation Endowment is to generate a reasonable level of income and experience long-term growth assuming low-to-moderate level of investment risk with PNC Bank. Investment policy sets investment ranges at 50% - 80% equities, 20% - 50% fixed income and 0% - 10% cash equivalents.

The investment policy for the 2018 Musselman Foundation Endowment is to achieve growth and income within a balanced portfolio strategy with PNC Bank. Investment policy sets investment ranges at 65% - 75% equities, 25% - 35% fixed income and 0% - 10% cash equivalents.

General Endowment

In 1972 the Library board established an endowment that is held at ACNB to hold large contributions from estates and gifts the board has elected to maintain long term. While the endowment can hold donor restricted contributions, no such donor requests have been made to date. Consequently, net assets associated with the general endowment funds are classified as net assets without donor restrictions.

NOTE 7 ENDOWMENTS (CONTINUED)

General Endowment (continued)

The investment policy for the 2019 for the general endowment is to generate a reasonable level of income and experience long-term growth assuming low-to-moderate level of investment risk with ACNB Bank. Investment policy sets investment ranges at 50% - 80% equities, 20% - 50% fixed income and 0% - 10% cash equivalents.

The investment policy for the 2018 general endowment has the primary goal to provide growth and, when needed, income from investments to assist in meeting financial needs. The investment objective is the growth of principal without incurring excess risks. The policy states a balanced profile should be maintained with a 75% equity and 25% fixed income allocation.

The changes in endowment net assets were as follows for the years ended December 31:

NOTE 8 LIQUIDITY AND AVAILABILITY

The Library's financial assets available within one year of the statement of financial position date for general expenditures are as follows:

	2019
Cash and cash equivalents	\$ 117,022
Accounts/fines receivable, net (less than one year)	9,879
Other receivables	20,519
Promises to give - contributions and bequests (less than one year)	145,467
Long-term investments not restricted by donor or trustee restrictions	<u>2,393,459</u>
	<u>\$ 2,686,346</u>

None of these financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the statement of financial position date. Cash in the amount of \$75,307 and long-term investments in the amount of \$711,797 have been excluded above, because they have been designated by donors for certain purpose restrictions and limitations enacted by the board of trustees. The Library has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. As part of its liquidity management, the Library invest its cash in excess of daily requirements in various short-term investments, including money market accounts. Also, as more fully described in Note 11, the Library has two lines of credit with availability of \$238,000 at December 31, 2019, which it could draw down upon in the event of an unanticipated liquidity need.

NOTE 9 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the organization can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

ADAMS COUNTY LIBRARY SYSTEM, INC.
Notes to Financial Statements

NOTE 9 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019.

Money Market Accounts: Money markets are valued at stable \$1.00 net asset value which is the value at which the fund is traded and approximates fair value based on the fair value of the underlying investments.

Mutual funds and exchange traded funds: Valued at the daily closing price as reported by the fund. Mutual funds and exchange trade funds held by the Library are open-end mutual funds and exchange trade funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and exchange trade funds held by the Library are deemed to be actively traded.

Interest in net assets of community foundation: Valued at net asset value of the percentage owned of the underlying assets of the fund. The fund is invested in a variety of fixed income and equity mutual funds whereby the investment policies employed are meant to achieve long-term growth while providing modest investment income. There are no unfunded commitments or restrictions.

Beneficial interest in perpetual trusts: Valued at net asset value (NAV) of the percentage owned of the underlying assets of the trusts. The trusts are invested in a variety of fixed income (both domestic and international), equity (both domestic and international) and mutual funds whereby the investment policies employed are meant to achieve long-term growth while providing modest investment income. There are no unfunded commitments related to the trusts and the trust assets are to be maintained in perpetuity such that the Library can never invade the principal.

Promises to give: Valued at the initial pledge amount committed by the donor discounted to their present value less any allowance for uncollectible contributions as determined by management based upon management's analysis of specific promises made and prior collection history.

Corporate stock: The Library received 52 shares of Penn Products Corporate Stock in 2016 that is reported at estimated fair value. This stock is not actively traded.

NOTE 9 FAIR VALUE MEASUREMENTS (CONTINUED)

The Library did not have any liabilities subject to fair value measurements or assets subject to non-recurring fair value measurements at December 31, 2019.

The following table sets forth a summary of changes in the fair value of the Library's level 3 assets as follows:

	Level 3 Assets, Year Ended December 31, 2019	Level 3 Assets, Year Ended December 31, 2018
Beginning balance	\$ 2,600	\$ 2,600

NOTE 10 DEFERRED REVENUE

The Library had deferred revenue for payments of sponsorships for events that have not occurred as of December 31, 2019 and 2018. Deferred revenue at December 31, 2019 and 2018 consists of \$20,439 and \$13,775, respectively.

NOTE 11 LINES OF CREDIT

The Library maintains a \$200,000 line of credit with PNC Bank. The variable interest rate is calculated at the bank's prime rate plus .5% which was 5.25% at December 31, 2019 and is due to expire on November 15, 2020 if not renewed annually. The line of credit is secured by the Library's investment accounts held by the PNC Financial Services Group, Inc. Borrowings on the credit line amounted to \$50,000 and \$0 as of December 31, 2019 and 2018, respectively.

The Library maintains a \$200,000 line of credit with ACNB Bank. The variable interest rate is calculated at the Wall Street Journal's prime rate less .5% which was 4.25% at December 31, 2019. Any outstanding balance is payable on demand and due to expire on August 29, 2020 if not renewed annually. The line of credit is secured by the Library's investment accounts held by the trust department of ACNB Bank. Borrowings against the line of credit amounted to \$112,000 and \$150,000 as of December 31, 2019 and 2018 respectively.

NOTE 12 GUARANTEE OF DEBT

During August 2015, the Library entered into an agreement with the East Berlin Community Library and co-signed a forty year United States Department of Agriculture (USDA) loan for the renovation of the East Berlin Community Library. The \$500,000 principal amount was drawn on during the construction process and was interest only at 3.625% through August 2016. In September 2016, monthly principal and interest payments of \$2,000 commenced. The loan will mature in August 2055. As of December 31, 2019 and 2018, the outstanding loan balance owed by the East Berlin Community Library d/b/a Jean Barnett Trone Memorial Library of East Berlin was \$479,233 and \$485,733, respectively.

NOTE 14 OPERATING LEASES

The Library leased a satellite location in Fairfield, Pennsylvania. In 2013 the library renewed the lease for five years from January 1, 2014 – December 31, 2018. Local municipalities agreed to reimburse the Library for a portion of the annual lease payments. Annual lease expenses amounted to \$11,022 and reimbursements from local municipalities were \$11,789 for the year ended December 31, 2018.

During 2017, an agreement was signed with the Borough of Carroll Valley to rent a portion of their Municipal Building to house the Fairfield Library. The move to the new library location occurred in March 2017.

The new Carroll Valley lease agreement is for 25 years from March 1, 2017 – February 28, 2042. Local municipalities have agreed to continue to reimburse the Library for a portion of the annual lease payments. Annual lease expenses are expected to approximate \$12,000 annually. Including the lease expenses described in Note 2 in addition to the above, total lease expenses were \$73,950 and \$77,622 in 2019 and 2018, respectively. Reimbursements from local municipality were \$11,789 for the year ended December 31, 2019.

NOTE 17 SUBSEQUENT EVENTS

The Library has evaluated events and transactions subsequent to December 31, 2019 through July 16, 2020, the date these financial statements were available to be issued. Based on the definitions and requirements of generally accepted accounting principles, management has identified three events, in addition to the events discussed within Note 1 and Note 15, that have occurred subsequent to December 31, 2019 that require recognition or disclosure in the financial statements.

The COVID-19 outbreak in the United States and around the world has caused business disruption through mandated and voluntary closings, including the Library and its donors. While the disruption is currently expected to be temporary, there is considerable uncertainty about the duration and extent of the economic impact. Therefore, it is reasonable to expect that the Library could be negatively impacted, however the degree of such impact is uncertain at this time.

On April 17, 2020, the Library was approved and received \$293,100, through the U.S. Treasury's Paycheck Protection Program (PPP), a government initiated economic stimulus program to provide loans to assist small businesses that have been impacted by closures as a result of the COVID-19 pandemic. Under the terms of the PPP, the loan is due in two years and bears interest at 1%, with payments deferred for 6 months and interest continues to accrue over this period. The loan may be forgiven if the loan proceeds are used to cover payroll costs, and mortgage interest, rent, and utility costs over the 24-week period after the loan was made and provided a certain percentage of employee and compensation levels are maintained. It is the expectation of management that the entire loan amount will be forgiven at the end of the forgiveness period ending in October 2020.

In January and February 2020 both the Boards of Trustees for the Adams County Library System, Inc. and the Jean Barnett Trone Memorial Library of East Berlin, signed board resolutions to explore Jean Barnett Trone Memorial Library of East Berlin becoming a branch of the Adams County Library System, Inc. Currently, the Jean Barnett Trone Memorial Library of East Berlin is a member of the Adams County Library System, Inc. and receives state and county funds from the Library however, operate as a separate entity. The signed resolutions state the next phases of the exploration would be for the organizations to meet and negotiate a memorandum of understanding, an implementation plan and corresponding agreements. As of the date of the independent auditor's report, the Boards of Trustees have not taken any further actions.
