

# HELLO FROM M RS

## Writing Contest

The year is 2320, and you are one of many people who now live in a colony on Mars. Write a letter home asking your family to come join you, and tell them about all of the strange and wonderful things this new world has to offer them. What is the new colony's name? What structures have humans made in order to ensure it is habitable? How do we breathe? What do the houses and neighborhoods look like? How many moons can you see in the sky?

## Prizes
