What is SummerQuest? It's library events, Take & Make activities, Digital Story Times, GO Adams! hikes, and more — FREE!

The SummerQuest program helps kids of all ages have an awesome and active summer. Adams County Library is hosting lots of events (virtual) with this year's theme, Tails and Tales. To explore events for our 6 library branches, go to AdamsLibrary.org/SummerQuest. To be eligible for prizes, kids and teens should register. **Early online registration begins May 21 and events begin June 1.**

LIBRARY EVENTS & ACTIVITIES (VIRTUAL & TAKE ALONG)

You can do as many library events or activities as you want! Events and activities are coded by suggested age group, and there are many for the whole family to enjoy together. To access our free library of videos, go to our [YouTube channel](#) (search for **Adams County Library**). While you're there, subscribe and click the bell to turn on notifications about our new content!

GO ADAMS! HIKES (BROUGHT TO YOU BY WELLSPAN HEALTH)

Starting June 1, the GO Adams! team will hide 30 themed carvings on posts in parks all over Adams County! Participants will get an instruction booklet to find the posts and a sheet to collect rubbings of the carvings. [Join the GO Adams! Facebook group for updates.](#)

CRUSH THE 800-MINUTE CHALLENGE & WIN PRIZES!

Can you log 800 minutes by August 7? Use the [Beanstack mobile app](#) to record everything you do! (Download the app from the Apple App Store or Google Play or go to our [webpage](#)). Each minute spent reading or being read to counts as one minute — you can use Beanstack's timer to easily keep track. Each library event, activity and GO Adams! hike counts as 20 minutes. Prizes and badges will accumulate with minutes logged in Beanstack. Keep tracking, because every extra 200 minutes read after 800 earns you another book!

READING: A BIG PART OF SUMMERQUEST

Reading is a great way for kids to keep up their skills during the summer. **Check out some books, eBooks, and eAudios from your library...and don't forget to log your reading minutes!**

Current COVID Safety Measures are in place.

Please be prepared.
